

## ENTERTAINMENT PROGRAM

A three-act live entertainment journey designed to elevate arrival, celebration, and spectacle within the The Cozy Journeys experience.

### ACT I: THE ARRIVAL (SOLOISTS & DUOS)

Perfect for dinner service or comfortable guest arrival in our main suites.

#### **Acoustic Soloist | From \$450**

A 3-hour chilled set featuring soul, jazz, or modern pop reinterpretations. Ideal for a sophisticated background atmosphere.

#### **Unplugged Duo | From \$850**

Guitar and vocals with percussion or keys. A dynamic sound bridging dining and social interaction.

### ACT II: THE ENERGY (DJS & HYBRID SETS)

High-energy performances designed for milestone celebrations and VIP events.

#### **Resident Lounge DJ | From \$650**

Professional on-site DJ delivering deep house, disco, and contemporary floor-filers. Includes professional PA system and basic lighting.

#### **The Hybrid Experience | From \$1,200**

A DJ paired with a live saxophonist or percussionist for an immersive and interactive dance floor.

### ACT III: THE SPECTACLE (THEMED SHOWS)

Bespoke entertainment for supper-club style evenings and large-scale galas.

#### **The 1920s Gatsby Revue | Custom Quote**

A four-piece jazz band, flapper dancers, and a charismatic host, complemented by custom vintage-themed on-site décor.

#### **Vegas-Style Casino Night | Custom Quote**

Live high-energy music sets paired with professional croupiers and showgirl greeters to create a premium land-based casino atmosphere.

### ON-SITE TECHNICAL FACILITIES

Every entertainment booking includes full access to our professional venue infrastructure.

**Audio:** Spatially mapped PA system with 360-degree sound coverage.

**Lighting:** Programmable LED suite with automated moving heads and mood wash.

**Staging:** Dedicated physical stage area with technical rider support.

**Staffing:** On-site sound and lighting engineer provided for all Act II and Act III bookings.

#### **BOOKING & VENUE POLICIES**

All performers are managed by our on-site entertainment coordinator.

Volume levels are monitored to ensure a premium and comfortable experience for all guests.
